

Morning all,

Firstly, I am sure that everyone joins me in wishing Janet all the very best for a speedy recovery after her recent shoulder surgery. While she is recuperating, I will be doing my best to keep you all updated, but can't promise the interesting musical links that Janet manages to find to entertain us, although there are plenty of links in this email!

- Welcome back to Grace, Monique and Chris. It's good to have you back with us.
- If anyone is unable to sing in this concert can you please let us know ASAP, as we need to organise voice placements and allocate the ladies to their parts divided equally in 3

Looking further forward :

September 20th is the date for our third concert with Brett at the helm. Please note it in your diaries.

December 7th concert is with Debra and will be another Jazz compilation.

See you tomorrow.....happy listening

Hello again,

Apologies for another email but it seems my attempted edit to the Monday mail failed to go with the main message (and the link to music was weirdly in the wrong place) so

If you are using digital music the link is here :

Please note there is one more piece to download

"Nada de Turbe"
