USB Sticks with Iberian tour music plus 16 of our other concerts for \$12!

This week:

Perhaps Bob Dylan and a Cambridge college choir don't seem like a match made in heaven – but with Anna Lapwood as arranger and conductor, *Make You Feel My Love* is a real eye-opener, especially when the organ arrives in the mix. The joy on the faces of everyone involved is inspirational.

- PS Anna Lapwood has just been named as the official organist of London's iconic Royal Albert Hall, where she often starts practising at midnight, the only time it's regularly available. She's even curating and performing in an *all-night* BBC Prom concert on August 8 this year!

Have a great rehearsal,

Janet
