

MONDAY MAIL, 09.03.26

Morning, everyone,

I hope you are all staying dry!

Right, two important pieces of news to start the week:

1. Your committee is trying very hard to arrange a suitable 30th birthday celebration for ChoirWorks some time during the weekend of July 17-19.

- We need your input!
- Please take a few minutes to fill in the survey which Joel sent round last Monday, so that everyone can have their say and we can tailor the gathering to suit your responses. Here's the link once more:

Thank you – we hope to be able to confirm the details very soon.

2. Information from Barbara about the music for our May concert:

- Digital music users: The google drive folder (link below) has been updated to include *Creator Alme Siderum* in case you didn't receive it by email.
- Also, as we are not going to perform Gjeilo's *Serenity*, please delete it from your device.
